Why Rutley's?

Henry Rutley established the first Theatre Royal on the site it is today. He was a well-known public figure and was recognised for establishing a respectable theatre of good repute for the middle classes, much in contrast to the previous Theatre Royal in Old Portsmouth.

He was well respected by local businessmen and his employees, and was seen and recorded as a family man.

*Wherever possible, we source all our ingredients locally and support other small business wherever we can.
If you have any allergies or food intolerances, please advise your server and we'll do our best to guide you through our menu.*
