A MESSAGE FROM OUR CEO RICHARD PEARCE

As we launch another season, we reflect on how much we have achieved in less than 15 months since bringing Portsmouth's historic theatres back together. We're already seeing the power of what we can achieve as one organisation. Alongside an increasingly ambitious programme, we've begun almost £5 million of capital improvements across both venues, made possible through Arts Council England, Portsmouth City Council, and the incredible generosity of our supporters, including the Garfield Weston Foundation, the Bernard Sunley Foundation and our wider community.

As our venues evolve, so too does our artistic ambition. This season we're proud to present two Portsmouth Theatres Productions: *Frozen* at Theatre Royal and *We Will Rock You* at The Kings Theatre, showcasing outstanding local talent. We're also delighted to present our first community pantomime, *Mother Goose*, at Theatre Royal.

All this sits alongside the jewel in our crown: The Kings Theatre's Pompey Panto. This year's *Jack and the Beanstalk* continues a much-loved Christmas tradition as we continue to build an exciting future for theatre in Portsmouth.

Richard Pearce, CEO

THANK YOU!

The Kings Theatre and Theatre Royal are very grateful to the following companies:

The Kings Theatre and Theatre Royal are grateful to Portsmouth City Council for its support.

STEWART LEE VS THE MAN-WULF

THU 3 SEP | 7:30PM
Tickets from £29

Returning to The Kings Theatre after selling out in 2025, Lee shares his stage with a tough-talking werewolf comedian from the dark forests of the subconscious who hates humanity. The Man-Wulf lays down a ferocious comedy challenge to the culturally irrelevant and physically enfeebled Lee. Can the beast inside us all be silenced with the silver bullet of Lee's unprecedentedly critically acclaimed style of stand-up?

Stewart Lee is in danger of being left behind. But can Lee unleash his inner Man-Wulf to position himself alongside comedy legends like Dave Chappelle, Ricky Gervais and Jordan Peterson at the forefront of side-splitting stadium-stuffing sh*t-posting?

Once the curtain rises, there's no turning back... **Blackout** is an immersive theatrical experience that pulls you into a world where fear and imagination collide.

Late at night, a small cast gathers inside an old theatre for what should be a straightforward rehearsal. But the building carries a reputation. Whispered stories, half-remembered warnings and long-held superstitions that most performers dismiss... until they can't. When the theatre doors close, something shifts and what should be fiction starts to feel dangerously real. Expect the unexpected as reality and storytelling begin to blur, plunging you into a shadowed world where nothing is as it seems.

Following many years of contemplation, and what for many seemed just a pipe dream, the works to regenerate the 3 now dilapidated shops on Albert Road, around which Frank Matcham crafted the iconic Kings Theatre in 1907, has well and truly started.

Without the dedication and love of so many volunteers over the years and the support of the local community, council and our loyal audience it would never have been possible.

We can now however all look forward to modern, open, accessible spaces that benefit our magnificent Grade II* listed Theatre and its beautiful auditorium. We will be connecting the theatre to the street with a bright new entrance foyer; creating a flexible rehearsal and community space and providing modern facilities which meet the expectations of our audiences – all of which will improve accessibility for all patrons. We will also be restoring our iconic portico at the front of the building.

There will be very limited disruption to our programme as most works are outside the current theatre footprint, however we do thank our audiences and our local residents for their patience and support during this transformational period.

The overall project cost is now estimated to be £5m, the funding of which is all down to your amazing support. You can continue to make a significant contribution by attending our shows and potentially joining our Membership and Patron schemes.

With sincere appreciation for your continued support.

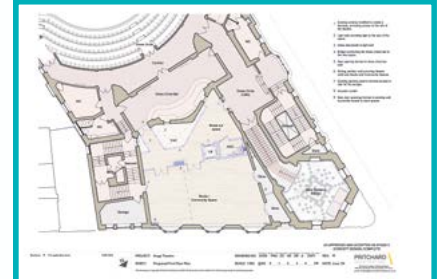

Richard Pearce, CEO

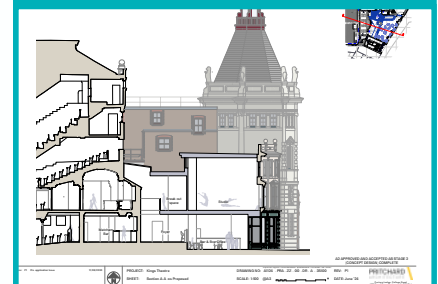

"It's so exciting that after a lot of preparation and a lot of plans, The Kings Theatre is finally ready to take forward it's regeneration project: 1907 Elevation. Portsmouth City Council is incredibly excited by this project and we want the whole community to get behind it. We love our Kings!"

Cllr Steve Pitt
Leader of Portsmouth City Council

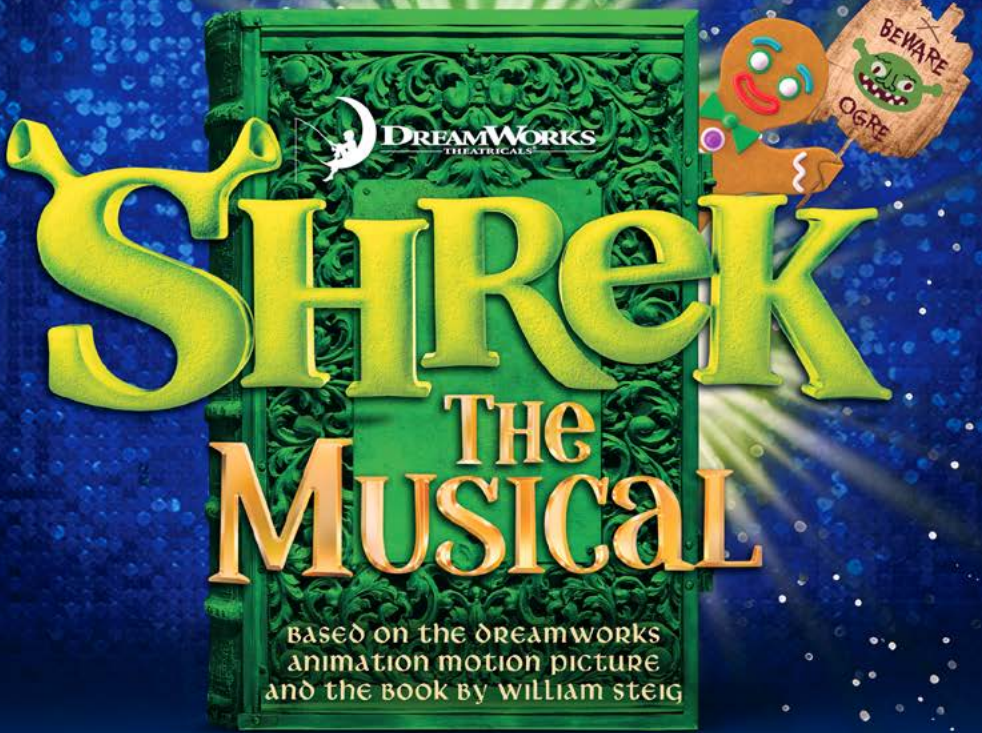

"The Theatre's regeneration goal is to elevate and enhance, by improving accessibility, community engagement, stakeholder facilities and experience, sustainability, and restoring the beauty of this iconic Matcham building."
